Freedom to Choose Programme

At Autonomie, we are committed to helping young people with additional needs overcome many of the challenges they face as they move into adult life.

Freedom2Choose helps these young people reach their potential and lead fuller and more independent lives.

Who is the programme for?

Young people with physical disabilities and allied additional needs aged between 14 and 25 in the Greater Belfast area.

Members are asked to make a small contribution each week (usually £3.00).

What does the programme offer?

Freedom2Choose offers structured opportunities for practical learning, social and recreational activities and access to what's on offer in the community!

Opportunities to do what every young person should be doing:

Learning and development

Each 13-week long programme is themed and focuses on personal development. Themes can include 'Good Mental Health', 'Independence' and 'Keeping Safe'. Young people choose when they take part and what activities they want to join in!

Social activities

Members can enjoy cinema/ restaurant visits and cultural and drama events.

Day trips

Visit places of interest and local attractions, e.g. Exploris Aquarium, Belfast Zoo and Carrickfergus Castle.

Recreational opportunities

Young people are free to use the recreational facilities at Lilac House to chill or choose an activity of their choice.

When does it happen?

2-4 hours per week (usually on a Saturday) at our South Belfast centre Lilac House (Linked Independent Living and Advice Centre) and at venues in the community.
