

# Be a **champion** for young people with a **disability** become a **volunteer**

Make a difference to the lives  
of young people with additional needs!

Do you have a few hours a month to spare?

Do you have a few hours on a Saturday?

**This is your chance to develop new skills, meet new people and make a difference!**

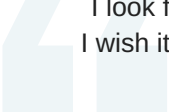

We are a small, local charity and the driving force behind our success is our volunteers. Right now, we are looking for enthusiastic volunteers aged 18+ (especially male volunteers), to help deliver our Freedom2Choose project. This is a skills development and social activity project for 16 - 25 year olds with additional needs.

Volunteers will be part of our newly established community at LILAC House in south Belfast.
